Nottingham City Campus

Right in the heart of one of the UK's most vibrant cities, Nottingham City Campus offers year-round conference, meeting, event and exhibition space. Whether you choose to host your event in the historic buildings or opt for a more contemporary space, these city centre facilities are second to none.

From tiered lecture space to outdoor market space, gala dinners to exhibition space to complement your conference, Nottingham City Campus has everything you need for event success.

Nottingham Trent University is fully committed to its green credentials, and actively promotes sustainability across a wide range of initiatives. It is also home to a family of peregrine falcons who nest on top of the Grade II* listed Newton building.

The flexible meeting space, supported by the latest AV technology combined with an award-winning customer service team, gives you peace of mind that all your event requirements will be managed leaving you to concentrate on your conference programme and delegates.
