## Clifton Science and Technology Campus

The contemporary space on the Clifton Science and Technology Campus provides conference and event organisers with flexible meeting and event space to host conferences, meetings, festivals and sporting events.

The campus has undergone a multi-million-pound development boasting modern architecture, with state-of-the-art interiors lending itself as the perfect backdrop to your event.

Tiered lecture theatres for up to 220 delegates, self-contained plenary, syndicate space and a sports hall accommodating up to 950 delegates positions Clifton Science and Technology Campus as a leading conference and event venue in Nottingham. The design of the campus lends itself to outdoor events, festivals and markets, with ample free parking onsite.

Conveniently located on the A453, the campus is easily accessible from junction 24 of the M1 and has a regular bus service into the city centre with connections to East Midlands Airport, train stations and tram stops for delegates arriving by public transport.
